REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Hooksett:

While war conditions have closed twenty-eight thousand schools in the United States, to date you have procured trained and experienced teachers for ten of the twelve schools operated last year. The scarcity of teachers or the lack of living accommodations necessitated in September the closing of the Neal School of seventeen pupils and the activity room at Martin's with an enrollment of nineteen children. Bus service is provided from the Neal district to the Martin's School. An unusually large enrollment of thirty-five children at Hackett Hill has necessitated transportation of the seven pupils in Grades Seven and Eight to the Village School.

The armed services, war industry, and professional advancement have accounted for five teacher changes in your ten full-time position. Restricted transportation and the lack of qualified teachers have deprived the schools of the excellent music supervision previously directed by Mrs. Buswell. Illness necessitated the temporary withdrawal of Mrs. Lily D. Heath from the Neal School.

Since September Mrs. Edith L. Messer of Concord has been acting principal and teacher of Grades Seven and Eight in the Village School, from which position Mr. Clarence P. Amadon was granted leave of absence to enter the U. S. Navy.

The lack of an adequate salary schedule is chiefly responsible for the loss of three highly efficient teachers. At Lincoln Park the Principal, Miss Kathryn T. Reynolds, accepted a position in the Manchester schools, and Miss Lenore C. Roberts entered a similar position near Boston. From Martin's, Miss Viola A. Haley went to the Walker School in Concord.

Mrs. Edna P. Benware, formerly principal of the Allenstown Grammar School, succeeded Miss Reynolds at Lincoln Park. Mrs. Benware is a graduate of Ply-

mouth Teachers College and has taken post-graduate courses at Keene. She comes to her position in Hooksett with successful experience of more than twenty years in school work.

Mrs. Rebecca D. Williams of Concord, a graduate of Plymouth Teachers College and for twelve years teacher in rural schools, followed Miss Roberts in the intermediate grades.

At Martin's, Miss Haley was succeeded in the primary grades by Miss Shirley A. Sullivan, a 1944 graduate of Plymouth. Miss Sullivan received her cadet training in Grades one and three. Mrs. Gertrude H. Washburn, formerly in charge of the activity room, was appointed principal of the Martin's School. She succeeds Mrs. Ruth M. Ladd who entered defense industry.

In the last two years the number of children enrolled in the local schools has decreased from 345 to 250. This pupil loss of more than 27 per cent—chiefly in the primary grades—and the increasing shortage of teachers may soon necessitate further consolidations.

The report of your school nurse for the year ending last June shows:

No. of pupils examined	309
No. of pupils successfully vaccinated	307
No. unsuccessfully vaccinated three times	2

No. of defects found, and number of cases treated or corrected:

	No. pupils Affected	Receiving Treatment	Defects Corrected

Defective hearing	3	1	
Defective teeth	220		108
Diseased tonsils	23		4
Defective breathing	4		
Adenoids	11		4
Enlarged glands	18		

One hard-of-hearing child is now receiving once a week on Thursdays, lipreading instruction, given by Mrs. Catherine E. Hammond of Manchester.

Cases Communicable Disease:

Chicken pox	19
Scarlet fever	1
Measles	4
Mumps	2
Whooping cough	1
Pediculosis	6
Skin diseases	7

Special work:

Orthopedic, Balch Hospital, Dr. Jones	6
Eye, Dr. Monette and Dr. Provost	4
X-Ray, Balch Hospital, Dr. Freiburg	2
Mental, Laconia School, Dr. Baker	1
Dental, Lincoln Park and Village, Dr. Mayo	52

It is a source of much regret that, after a district appropriation was made at the annual meeting to finance hot lunches for school children and after many parents signified their desire to cooperate in the purchase of lunches, the services of a cook are not obtainable. There are in two schools a total of fifty children who would benefit from such service. Included among these are not only those underweight, but every child who is now spending a long day away from home and bringing a cold lunch to school.

In November standardized achievement tests were given to the pupils of Grades Three, four, and Five. Following are the average scores attained in terms of the grade and month.

Grade	III	IV	V
Standard Score Anticipated	3-3	4-3	5-5
Reading and vocabulary	3-5	4-4	5-5
Arithmetic fundamentals	3-2	4-3	5-2
Arithmetic problems	3-0	4-1	5-1

Literature			5-2
History			5-6
Geography			5-2
Spelling	2-8	4-0	4-8
Grade Average	3-2	4-2	5-3

Due to the good efforts of your School Board, and of other representatives from similar districts in the last legislature, sufficient appropriation was secured to meet the 1943 demands of state aid for the maintenance of elementary schools. As a result Hooksett received this year its total allotment of \$4,522.56.

The income from state aid, reduction in number of teachers employed, and favorable contracts with Concord and Manchester for the payment of high school tuition have made possible an estimated budget for 1944 slightly less than that of last year.

Enlistment in the armed forces of our country and more frequently the increasing opportunities for industrial employment have already reduced and will further cut down the number of your graduates who attend high school.

This lack of higher educational experience, the freedom to explore talents and interests, and the opportunity to choose and develop industrial skills, geared to the period in which youth is maturing, bodes ill for the next generation.

The increasing necessity and responsibility of our schools is well expressed in the recent report of the governor's Committee on Vocational Education.

"The schools must help man to learn both to make a living and to make an art of living. The school must be ever ready to help man make a place for himself—a place not only where he can work but where he can work happily and in harmony and understanding with his environment and among his friends."

"These, then, are our responsibilities to youth."

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.
